What our customers say about us

We have always bought a new house. Our experience in dealing with Summerfield can only be explained as excellent, from the sales staff, site sales staff, site manager, and the after sales team.

The finish on the build is really good and very professional. We have looked at other builders and can honestly say that Summerfield surpass every one of them in construction, build quality, finish, and aftercare service.

Really a first class Company and an honour to deal with. We highly recommend to anyone seeking a new home to first consider Summerfield if they are building in your desired location.

Mr & Mrs J

We pride ourselves on our excellent customer aftercare...

We are proud of the reputation Summerfield Homes has earned for constructing homes of the highest quality throughout the West Country for over 30 years.

Your new home will undergo a series of inspections before we are ready to hand it over to you. Building Control Inspections and inspections by our Home Warranty provider are complemented by our own rigorous checks. This will ensure that the standard of finish meets the standards that both we, and you, would expect.

Our commitment continues for two years after completing your purchase. During this time our Customer Care Department is on hand if you need to report any problems or faults.

What our customers think about our aftercare service

We are thrilled to be living in this comfortable house as it has such an impressive specification and more than lives up to the promise offered by the show homes. Plus it is on an amazing development. Our journey to this point has not been straight forward, as the first buyer for our previous house pulled out at the last minute, but Summerfield kept the faith and helped and encouraged us without pressuring us too much while we found our second and successful buyer.

Four weeks after moving in we have been impressed by the aftercare which has been second to none. Throughout the somewhat protracted purchase process, and through to completion, the Sales Office team has been very encouraging and all we could wish for.
