# We pride ourselves on our excellent customer journey..

We are proud of the reputation Summerfield Homes has earned for constructing homes of the highest quality throughout the South West for over 30 years.

Your new home will undergo a series of inspections before we are ready to hand it over to you. Building Control Inspections and inspections by our Home Warranty provider are complemented by our own rigorous checks. This will ensure that the standard of finish meets the standards that both we, and you, would expect.

Our commitment continues for two years after completing your purchase. During this time our Customer Care Department is on hand if you need to report any problems or faults.

## What our customers think about our aftercare

*"We are thrilled to be living in this comfortable house as it has such an impressive specification and more than lives up to the promise offered by the show homes. Plus it is on an amazing development. Our journey to this point has not been straightforward, as the first buyer for our previous house pulled out at the last minute, but Summerfield kept the faith and helped and encouraged us without pressuring us too much while we found our second and successful buyer."*

*Four weeks after moving in we have been impressed by the aftercare which has been second to none. Throughout the somewhat protracted purchase process, and through to completion, the Sales Office team has been very encouraging and all we could wish for."*

- Mr Crockford, Killams Park
