

Welcome

Located on the edge of the countryside but highly accessible to the town, Killams Park offers an ideal combination of convenience with open space and great rural views.

58 Mattravers Way offers an exceptional 4 bedroom house designed to provide a blend of traditional craftsmanship, character and comfort with the latest energy efficient features to create a great place to live for many years to come.

More Individual, More You

Summerfield Homes are a local development Company, designing and building homes tailored to fit with how people want to live today.

Each home is designed to optimise living space inside and out, with design touches that give each home a distinct style and character.

All our homes come with a 10 year guarantee to give complete peace of mind and a choice of specification upgrade options for those that want to personalise even more to their individual requirements. Killams Park enjoys an exceptional location with surrounding countryside and this sense of space is maintained with careful planning of the development, with much lower density of building than regulation requires and many other sites adopt.

This has enabled more green space and play areas to be created for families to enjoy, including an orchard as an integral part of the development.

Floor Plans & Dimensions We have provided floor plans to show the approximate dimensions of the properties on this site. The dimensions may vary as each property is built individually and precise internal finishes may vary during the course of construction. External finishes will vary from plot to plot. Some plots may be handed versions of the illustrations (mirror image) and may be detached, semi-detached or terraced. Elevations and Internal Finishes Artist impressions/CCI's have been used to represent the houses to be built. The colours and finish of the various external elevations may vary from house to house. The area surrounding each property may also differ from that shown. Please be sure to check with our sales representative for details of the finishes relating to your chosen property at the time of reservation.
