Introduction

An opportunity to buy and own a home at 25% less than the open market value!

We are pleased to be able to offer the chance to own a home and pay 75% of the open market value under the Summerfield My Home scheme. This means you will pay a lot less than you would on a similar property elsewhere. You own the whole property, there is no rent to pay (which there would be with shared ownership homes) so there is good chance that it will be cheaper to buy one of these homes rather than rent a similar property!

We have released for sale, 7 My Home properties:

The Broadway, Plot 192, 1 bedroom detached bungalow - £165,000

The Compton, Plots 219 & 220, 1 bedroom semi-detached house - £154,687

The Holcombe, Plots 206 & 214, 2 bedroom apartment - £150,000

The Cleeve, Plots 221 & 222, 2 bedroom semi-detached house - £170,625

Please note these prices are with the 25% discount already taken off.

Although the specification for the My Home properties differs from the open market properties, all the My Home properties will be finished to Summerfield's usual high standard and benefit from gas-fired central heating and double glazing and each property will have a garden and parking and a 10-year NHBC warranty. Please refer to each house types Specification and Site Plan within this pack for further details.

There will be a Management Company set up at Liddymore Park to maintain attenuation and open spaces. It is anticipated that each property will pay approximately £225.00 per annum to the Management Company.

Do you meet the criteria?

To be eligible to purchase a My Home property at Liddymore Park, you will need to meet certain criteria:

1. Potential purchasers will need to be registered with Homefinder Somerset:
<https://www.homefindersomerset.co.uk/choice/login>

Tick Me

☐

On opening please select 'Register' in the top right hand corner and proceed through the application.

Please note, the registration process for Homefinder Somerset for eligibility for My Home open market discount properties is the same registration website for several housing options including social housing and the registration questions allow for this. However you do need to answer all questions in order that you can progress through the application. Under the section 'details of why you would like to move' your response should advise that you are registering as part of the eligibility process for purchasing a Summerfield Homes My Home property.

Once you submit your application to join the Homefinder Somerset register, you will be provided with a reference number. Please take a screen shot of that page showing the reference number or note down your reference number and provide this with the Confidential Questionnaire (see point 3 below) and other relevant paperwork as detailed in the Confidential Questionnaire.

2. Your income(s) is/are below the maximum single income or maximum joint income as outlined below:

☐

Plot No.	Maximum Single Income	Maximum Joint Income	Estimated Build Completion
192	£48,070	£55,465	TBC 2026
219	£45,065	£51,999	TBC 2026
220	£45,065	£51,999	TBC 2026
206	£43,700	£50,423	TBC 2026

221	£49,709	£57,356	TBC 2026
222	£49,709	£57,356	TBC 2026

3. You will need to make your application for eligibility by completing a Confidential Questionnaire. A copy of the Confidential Questionnaire can be requested from Rene Kilner, Sales Advisor at Liddymore Park Marketing Suite 07795 973509, rkilner@summerfield.co.uk or Sarah Beisly Sales Office Manager, Summerfield Homes, 01823 257961 sbeisly@summerfield.co.uk.

☐

Completed Confidential Questionnaires should then be returned to Sarah Beisly, together with associated paperwork as detailed on the Confidential Questionnaire together with your Homefinder Somerset reference number, by email: sbeisly@summerfield.co.uk, or hand deliver: Sarah Beisly, Summerfield Homes, Tauntfield, South Road, Taunton TA1 3ND, for submission to the Enabling Officer at Somerset Council for eligibility approval, and if successful you will receive an eligibility letter.

4. You have received confirmation from Somerset Council Enabling Officer that you are eligible (eligibility letter).

☐

5. You plan to live in the property as your sole residence and you do not plan to rent out the property.

☐

6. You can afford to buy the property.

☐

7. Although this is probably your last thought, you are aware that when you come to sell the property you would need to sell at the same percentage discount (25%) and purchasers would need to meet the same criteria. This will be in perpetuity.

☐

We will take a reservation from anyone who wishes to purchase one of these properties, who can tick all the boxes above and can provide proof that they have a mortgage agreed in principle or funds available, and an eligibility letter from the Enabling Officer at Somerset Council, prior to reservation.

The reservation deposit for a My Home property is £500.00.

Check your finances

As these properties are subject to a Section 106 Legal Agreement which sets out eligibility criteria, there are certain conditions that need to be met before a bank or building society will lend money on these properties.

To save time it would be worth talking to an Independent Financial Advisor to find out who will lend and what costs may be involved. There are a limited number of lenders who are willing to lend on a discounted home and it saves you time and money if you find out who they are at an early stage.

As these are new homes we recommend speaking to someone who understands this sector.

We have identified some financial advisors who deal with new homes and discounted properties that are subject to a Section 106 Agreement and we can share this with you, but it is important that you make your own choices.

Reservation

Summerfield Homes will take a reservation from anyone who wishes to purchase a My Home property who can tick all the boxes on the 'Do you meet the criteria?' page and can also provide proof that they have a mortgage agreed in principle or funds available, and be approved by Somerset Council (be in receipt of an eligibility letter) prior to reservation.

The reservation deposit for a My Home property at Liddymore Park is £500.00.

An anticipated build completion date will be provided at reservation, however, any dates quoted are anticipated and subject to the construction programme which may be affected by factors outside of our control. We will not be able to guarantee or fix any legal completion dates until we are in receipt of the NHBC Certificate. Please bear this in mind if you are considering ordering any items of furniture etc. or giving notice if you are in rented accommodation.

Further Information

Summerfield Homes take pride in being a local business, working with local communities to create an environment in which people live.

We aim to build homes that meet the aspirations of our customers and provide affordable homes for people who might need a little extra help buying a new home.

Our My Home properties at Liddymore Park (Plots 192, 219, 220, 206, 214, 221 & 222) are available to buy at a discounted price (25% discount to the open market value). You will own the whole property and therefore you won't enter into a shared ownership scheme or pay any rent. When you sell your home in the future this must be at the same discounted rate (25%) and your purchaser will need to meet the same criteria, therefore, the property remains affordable for future generations.

Please note that CGI's are for illustrative purposes only, external finishes, house type plans, site plans and specifications are subject to change and may differ to our other developments. Please check this at the time of reservation.

PLEASE NOTE: Flooring, curtains and blinds are not included as part of the standard specification.
